Election/Restrictions

1. This application is in condition for allowance except for the presence of claims 6-18 and 21-22 directed to inventions non-elected without traverse. Accordingly, **claims 6-18 and 21-22 have been cancelled.**

Reasons For Allowance

2. The following is an examiner's statement of reasons for allowance: claims 1-5 and 19-20 are allowed at least for the reason that the prior art of record does not teach or reasonably suggest the optical scanner in an image forming apparatus, comprising a scanning optical system that forms an optical scanning path, a pair of optical detecting units arranged at two positions on the optical scanning path for detecting a write-start position and a write-end position to measure a time for scanning from the write-start position to the write-end position and an optical housing that houses at least the scanning optical system and the optical detecting units, wherein the optical detecting units are mounted on the optical housing via an intermediate member having a thermal expansion coefficient smaller than that of the optical housing, as set forth in the claimed combination.

Contact Information
